## SPORTS CLUB PARKING PERMIT APPLICATION FORM

Albert Park Reserve (**Albert Park**) is Melbourne's highest profile park, located just 3km from the centre of Melbourne. It is a 225 hectare sporting and recreational park that caters for formal and informal recreation. Albert Park is the focus for many of Victoria's major events and is also an important sanctuary for wildlife and vegetation.

Parks Victoria is responsible for the management of Albert Park. To control the demand for parking within the Park, a fee-based parking system will apply to all car parks and kerbside parking spaces, commencing in April 2006.

Parks Victoria administers a system of parking permits to provide discounted parking for legitimate sportsclubs, businesses and tradespeople conducting work within Albert Park. By displaying a valid parking permit, permit holders are exempt from a number of parking restrictions.

**Surplus revenue from fees charged for parking and parking permits at Albert Park are spent within the Park to improve facilities for the benefit of all users.**

### PERMIT APPLICATION INFORMATION AND CONDITIONS OF USE

**Sports Club Parking Permits are solely for the use of members of sports clubs that are tenants of Albert Park. The permit holder is exempted from paying the relevant parking fees during sports club activities. Holding a permit does not exempt the holder from parking time restrictions.**

#### Sports Club Parking Permits:

- Are issued on the basis that the applicant accepts the permit conditions.
- Are for Albert Park sports club members. Proof of current sports club membership must be provided with this application. Suitable proof includes receipt for payment of current membership fees, copy of current membership card, or official club stamp in the space provided.
- Exempt the permit holder from paying the relevant parking fees during sports club activities *only*.
- Do not exempt the permit holder from parking time restrictions.
- Must match the vehicle registration plate in order to be valid. If there is a change you will need to contact the Parking Administration Office.
- Can be purchased by completing this application form and making the required payment to Parks Victoria via one of the methods provided.
- Are issued for a specified duration and are to be used only for the duration of the club membership.
- Do not guarantee that a parking space will be available.
- Do not exempt the permit holder from clearways, no stopping areas, loading zones, or parking on parkland and other areas where parking is excluded or temporarily suspended.
- Transfer or improper use of a permit will render the permit invalid and may result in a fine.
- Parks Victoria reserves the right to revoke the permit or change the permit conditions at any time. Changes will become enforceable after reasonable notice has been given to the permit applicant or permit holder.

<b>When is a permit required?</b>	If you are a sports club member within Albert Park, you will need a permit to park in Albert Park between 8am–9pm, 7 days per week, unless you use the “pay-and-display” ticket machines instead. The permit must be displayed on your windscreen. If you require additional parking spaces for storage of equipment etc. please apply for a Reserved Parking Permit from the Parks Victoria office. If you have equipment that must be stored on parkland or other areas, please contact the local Ranger to seek permission first.
<b>Where can I park?</b>	Sports club member parking permits allow you to park in any valid parking spaces along the kerbside or in designated car parks in Albert Park.
<b>Where can't I park?</b>	You cannot park in clearways, no stopping zones, or on parkland or other areas where parking is excluded. Loading zones are for short term pick-up/drop off only. Your parking permit does not exempt you from the time restrictions associated with a loading zone. Use of valid parking spaces may be temporarily suspended by the Police, Emergency Services, or authorised parking officers.
<b>How much does a permit cost?</b>	Sports club member parking permits are \$40 per year, or \$20 for a six month permit. Holders of current, eligible government concession cards are entitled to 50% discount on the permit. Eligible concession cards are: Pensioner, Seniors Health Care, Health Care and DVA Gold. A copy of the concession card must be presented or attached to the application form. Permit prices are inclusive of GST, and a tax invoice will be issued upon receipt of fee payment. <b>Permit fees are not refundable, even if club membership ends before the permit expires.</b>
